I have also included a pdf of the emails that went out last year so you can see who all is included on the email. The word doc is just the addresses I copied and pasted from each of the emails last year. I updated the names of the Speaker and Pres Pro Temp on the ones that were sent before the change. I also updated the Chairs that have changed – but I would double check with Brian on the ones highlighted in blue to make sure the names/office numbers are correct. I looked them up today, but just in case any of that info was wrong on eCapitol, it doesn't hurt to double check.

If any of this doesn't make sense, don't hesitate to reach out and ask me. I'm happy to help!

Joy

P.S. Once the reports are sent, go ahead and send the pdf to Courtney Freeborn (cc V) so she can post them to the website where the board accesses them.
